- **Suntan cream and hats:** Please ensure that your child is wearing sunscreen every day and that this is applied before coming to school.
- **Water Bottles:** Please make sure that your child is well hydrated by supplying them with a bottle of water for their use throughout the day. We do have cooled water in school for breaks and lunchtimes, but please remind your child that they should replenish their water supplies at these times in order to avoid disruption to lessons.

Announcements

- Once again, we draw the attention of parents to online safety issues, this time relating to an online game called "**Fortnite - Battle Royal**". This has attracted a lot of media attention, outlining the dangers of its addictive nature, its involving youngsters in chatting to strangers and exposing them to the violence in the games themselves. Please refer to the links below for parental advice:
