Living and Learning with Christ as our Guide

The Week Ahead

Dear Parents,

Week Commencing: Monday 19th November 2018 Week 1

- We have introduced new clubs for lunchtimes so that children have alternatives to their play outside, due to our reduced space on the playground. We are encouraging all children to attend one of these clubs each lunchtime especially as we are coming up to winter. Your child has already signed up to these and has been taking part for the last two weeks whilst we trialed the times and sessions. Please see them below.

- Please remember to sell your **raffle tickets** for the Christmas Fayre. This is our main fundraising event this year and there are some fabulous prizes on offer. If you would like any extras please email admin@stdominicspriory.co.uk. Please see attached letter for further information.
- Secret Santa:** Please see the attached letter regarding the Secret Santa for this year.
- Samaritan's Purse 'Operation Christmas Child' Appeal:** Our thanks to our students and parents who have given so generously to the shoebox appeal. Today Sophie Hughes Y10, along with a group of prep and senior students visited WHSmith in Stone and presented all your kind donations to the shop. We would like to remind anyone who would still like to donate to the charity that they have until Sunday 18th November to take their shoeboxes directly to any branch of WHSmith. Once again, thank you for supporting Sophie with her appeal at this time.
- Winter Uniform:** please note all students need to be in winter uniform. We do not accept a mix of winter and summer choices. Please see the website for a fully up-to-date list. Thank you.

- **Interim Report Reply Slips:** Please return the reply slip to your child's form tutor or email the school to confirm that you have received the report. Our thanks to those parents who have met the deadline.
- As part of the ongoing safety awareness of our students and staff, the school wishes to adhere to a **TOTAL NUT FREE** environment throughout the entire school. This includes school trips and all other school-related activities. We politely request that parents and students are mindful of any products containing nuts when preparing lunches or snacks. Parents of children who, historically, have suffered any anaphylactic reaction to any foods or insect bites, need to provide the school with an up-to-date medical action plan, signed by their treating doctor.
