

Dear Parent

Re: Sports Scholarship for Entry in September 2019

Thank you for applying for a Sports Scholarship for your daughter/son.

Please outline her/his sporting achievements on the enclosed application form. We are especially interested in students who are considered to be outstanding in one sport, or who excel in a range of sporting achievements, membership of any sports club or any representative honours that your child has achieved. If sports such as swimming or athletics are involved, please give specific details of personal best performance.

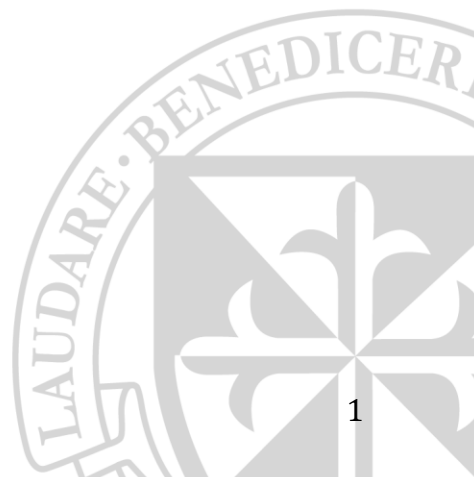

In the light of both the information given on the application form and the results of the school's entrance assessments, students will be selected to attend a Sports Scholarship assessment at our school. This may happen on the afternoon of Friday 3rd November or later in the month.

I wish your child every success in their application.

In the meantime, if you have any queries, please do not hesitate to contact Louise Lloyd our Admissions Secretary on 01785 814181 Ext 2 or admissions@stdominicspriory.co.uk.

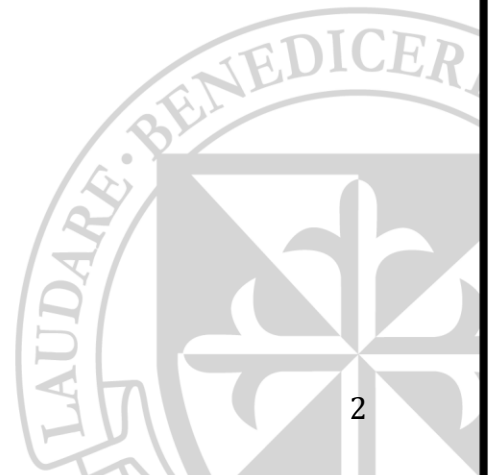

Kind regards
