

## Prep Bulletin

Week Commencing: Monday 28th September

Dear Parents,

Thank you for all your support last week during Healthy Eating Week and various trips out of school, it was a great week and the children enjoyed themselves.

### **Announcements**

- As you will be aware from the School Calendar for this term and hopefully from receipt of your posted invites, Friday 2<sup>nd</sup> October is "Grandparents Afternoon". All grandparents are welcome to join us for tea and cakes in Priory Hall at 3.00pm. Following tea, if you wish, you may then tour the school with your grandchildren. For catering purposes, please email the school office if you would like to attend.
- If there are any more children wishing to join the Mad Science Club on a Wednesday night could you please contact the office, or Mr Messenger, as there are a couple of places left.
- The children had a great time at Hardiwick Farm last Tuesday and we would like to extend our thanks to Mr and Mrs Millington and also to Lucy Murphy for entering and winning the competition held on Open Farm Sunday. Lucy also enjoyed her afternoon away from lessons! Please see the website for more information.
- P5&6 children had another good day out of school on Thursday, visiting Alton Castle. They thoroughly enjoyed the experiences they had, especially all the team building activities and the wet sponge throwing! Take a look at the website for photos.
- I would like to remind all parents that you are welcome to attend Prep Assembly on Tuesday and Thursday mornings in Priory Hall (Whole School Assembly dates are in the School Calendar). Prep staff are also available (usually in their classrooms) if you wish to see them in the morning before school.

**Achievements**

Congratulations to Philippa Ford for winning the ABB Solar Plane Design Competition. There was an individual winner from each of the schools that entered and Philippa was selected as the overall winner, for which she received a lovely prize. As a result of Philippa's success, St Dominic's also won the group prize! This means that all of Yr6 will be going on a visit to the Science Museum in London with all expenses paid by ABB. Please see our website for the full story.

**Things to remember**

Blazers must be in school at all times as they are part of our uniform.

**Dates for your diary**
