

Prep Bulletin

Week Commencing: Monday 14th September

Dear Parents,

Welcome back to an exciting new year. We hope that you have all had a really lovely holiday and are refreshed and raring to go!

Welcome to all new parents and children; we hope that you have settled in well. Please let us know if there is anything we can help you with.

Announcements

- We are delighted to have our newly resurfaced playground. Mrs Harrison is planning a playground design competition and we are looking forward to some exciting ideas from the children on how they want it to look.
- We also have two new schemes for our curriculum this year. We have purchased a new Maths and RE scheme and the children (and staff) are looking forward to using them. This keeps us at the forefront of the latest educational ideas.
- If you cast your minds back to the end of last year, we raised money for Douglas Macmillan during our Fun Run and we now have had the official total from them of £213.40. Well done everyone!
- Last night we attended the Douglas Macmillan Awards Presentation for the Expressions Of Care Education Project. All children made a petal to be part of the sunflower that we entered and out of 20 schools that took part we are delighted to have received third place. The artwork will be used by the Hospice to promote its work.
- And finally we are excited to welcome a guest from ABB on Tuesday 15th to demonstrate a model of the Solar Impulse Plane to our Yr 6 pupils. Competition news to follow!
